Non-Negotiable Payments

Exhibitors who issue non-negotiable checks will be charged an additional \$100 for each time the check is returned by the bank. HJEO reserves the right to bar competitors who have issued bad checks previously. Competitors with a history of returned checks to HJEO or its member barns will need to pay by cash or money order all show fees plus a \$200 deposit upon checking in to the horse show office before being issued an entry number and being allowed to show.

Stalls

Stalls are 10' x 10' permanent stalls with doors and are \$150 if postmarked or paid for and entries are submitted by November 1, 2021. After November 1, 2021, stalls are \$200. Accurate classes must be entered on entries for early stall price. This allows us to be sure we can run the show as efficiently as possible and not have to change the schedule significantly during the show. Permanent stalls are on a first come basis. Stalls are available Tuesday before the start of the show. Each entry with a horse stall is required to purchase a minimum of four bags of bedding through the show office. Additional bedding, feed and hay are available for purchase on the grounds. Manure must be disposed of in designated areas only, no manure in trash bins. Removal of stall panels and/or doors will be charged a fee by the facility through the horse show office. A \$60 per day grounds fee will be charged for all horses on the grounds if not purchasing a stall.

Campers

Camper spaces with full hook-ups, are available through Expo Square. Please contact the facility for reservations at www.tulsaexposquare.com or 918-744-1113.

Ribbons/Trophies/Championships

Class placings receive ribbons from first through eighth place. Each section will receive a champion and reserve award on points. Full championship points will be given in hunter sections. In hunter sections, champion and reserve will be awarded to two of the top four horses acquiring the most points over fences. These four horses will also receive full points for the under-saddle class.

Jumpers

Ties in jumper classes will jump off for first place only. Ties for all other places will be determined by fastest time in the first round among those with an equal number of faults. Ties for champion and reserve champion will remain tied.

Jump Order/Ring Conflicts

It is the exhibitor's responsibility to follow jump orders and check in when necessary. Management will designate priority rings on a daily basis. Paddock masters have the authority to scratch exhibitors not in compliance with this policy. Add/scratch slips must be presented to the paddock master prior to class start.

Footing & Arena Dimensions

Ford Arena is 150' x 300", Mustang Ring is 125' x 225'.

Schooling

Rings will be open for schooling one day prior to their start. Rings will also be open before the show each day for hacking. Times will be posted or announced. Free, supervised schooling will be permitted Thursday after the completion of the show until the latter of 6 p.m. or one hour after jump crew is through setting fences for the next day. All other schooling times will be announced daily. Once the supervised schooling is completed, hacking only will be allowed in the rings.

Dogs

Dogs are not permitted to be loose on the competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors. Dog owners failing to comply with this rule may be subject to a penalty.

Golf Carts/Motorized Vehicles

Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent, legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent, guardian and/or trainer who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent, guardian, and/or trainer from the competition grounds for the remainder of the competition. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

Courses

Hunter courses are designed to simulate fences found in the hunting field such as brush, wall, oxer, gates etc. In some cases, the courtesy circle may be restricted by a dotted line on the course diagram & physically in the ring. Classes are judged on performance & soundness unless otherwise noted. Sections with few competitors may be combined and any section with fewer than six may be canceled.

Sharps Containers

The competition management may fine any individuals including trainers, owners, exhibitors or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments.

Warning

Under Oklahoma law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities.

Animal Welfare

We require that all horses be treated with kindness, respect and compassion and should never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents must use reasonable care in the handling and treatment of their horses whether owned or placed in their care for competition or for any other purpose. At all times, while the horse is on the show grounds, we will provide for the continuous well-being of the horse by enforcing the rules of the USEF which pertain to this subject. USEF rules defining policy regarding abuse and use of whips will be strictly enforced. No poling, use of bamboo offset or excessive use of the whip will be tolerated. The well-being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators may be subject to penalties pursuant to USEF rules. In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse. If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims or actions arising directly or indirectly from the treatment of the horse.
